SMART MOVE SPOTTER!

Choose the smarter next step in four everyday money situations.

LOOK BEFORE YOU LEAP

Read each mini-story. Circle A or B. Then explain your thinking to a grown-up.

SCENE 1

A game costs $12 online.

A: Ask an adult before buying.

B: Tap Buy Now right away.

SCENE 2

You want a new water bottle.

A: Compare two prices first.

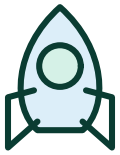
B: Take the first one you see.

SCENE 3

You are saving for a science kit.

A: Check your goal before shopping.

B: Forget the goal and buy a toy.



SCENE 4

A friend's birthday is soon.

A: Plan a gift within a limit.

B: Buy anything, no matter the cost.
